BOILS.

WE READ THAT, ONE OF the sorest afflictions that the patience of Job was called upon to bear was that of boils and they have been found [illegible] from that time to the present, the most troublesome and painful of [illegible] We have known instances where individuals were sure to have these eruptions break out upon them once a month at least. They show an impure state of the blood, and that humor of some kind is lurking there, and the surplus of corruption is actually forced to the surface of the body, making its appearance in the form of Boils. Now, [illegible] best at once to purify the system [illegible] Do you ask what will do this? [illegible] answer Scovill's Blood and Liver Syrup. MEETING OF THE COMMON COUNCIL.—The regular weekly meeting of the Common Council was held at the Council Chamber at 7½ o'clock Thursday evening. President McCraken in the chair. The following members answered to the call of their names—Councilmen Bennett, Frazar, Cradlebaugh, Hoffman, Robertson and Starr. The minutes of the previous meeting were read by the Clerk and approved by the Council. The following petitions were granted: R. Gilean permission to grade a portion of Street; C. Elwert permission to use portions of certain streets in the erection of a building; Michael McGaugh, for the privilege to retail liquors at the [illegible] saloon; Lucena Correna, for the privilege to retail liquors at a saloon on First street.

The Committee on streets and public property reported the bill of J. D. [illegible], $[illegible], for the [illegible] due on contract for [illegible] fence, correct, and a warrant was ordered to be drawn in payment of the same.

The same committee reported adverse to the petition for a change of grade on Fourth street. Report adopted.

The same committee reported by [illegible] on the petition relative to grading of Third street from Madison to College streets. Report accepted and ordinance laid upon the table, after the 1st reading.

A minority report from the committee on fire and water, relative to the bill of E. M. Burton for $[illegible] on contract in building Engine House, was accepted, and a warrant was ordered to be drawn in payment of the amount.

The City Collector submitted a report for the quarter ending October 1st. Report [illegible].

Warrants were ordered to be drawn in the following claims against the city as follows: Portland Water Company, water furnished for month of Sept., [illegible]; Portland Gas Company, gas furnished for the month of Sept., $177 2[illegible]; H. R. Mackey, salary as Clerk of the Common Council, quarter ending Sept. 30th, $450; A. Holbrook, salary as City Attorney, July to October, $[illegible]50; J. H. Hagan, repairing street lamps, $4; H. L. Hoyt, fees as City Marshal, $60 [illegible]; F. McCoy, fees as City Recorder, $[illegible] 40; H. L. Hoyt, commission as City Collector, $[illegible] 25.

The bills of the Street Commissioner, for work done, and amounts expended during the month of September, were referred to the committee on accounts and current expenses.

The bill of Jas. W. Going, for services as City Assessor, $378 50, was laid on the table.

Councilman Frazar presented a resolution relative to repairs on certain cisterns of the fire department which was read and adopted.

Council Adjourned.

AN UNFORTUNATE AFFAIR.—Little less than a month since the printers of this establishment, in accordance with a time honored custom, were partaking of a repast, and drinking champaigne to the wishes of prosperity and happiness that might be expected to follow the event of a marriage, in which the joyous couple had so kindly remembered us. It turns out that their cup is full of bitterness, and the domestic relations formerly existing on the part of the lady, who had been divorced in regular course of law, are forced upon her violently, and more unpleasantly than ever, by an affair between the former and the present husband, resulting in serious injury to the latter, by a pistol shot wound. It is reported that several shots were exchanged. One of the parties is better known in California than hereabouts, having at one time been speaker of the House in the California Legislature. He was the aggressor, and has been arrested at Walla Walla, where the affair occurred. One year previous to this sad event the parties were all considered the best of friends, and this is an o'er true tale, showing what strange things may happen in this world.

OUR SHIPPING IN A DRY TIME.—There were four sea-going crafts in the river opposite this city yesterday, receiving and discharging cargoes at three different wharves. This is pretty good for such a "dry" time as outside cotemporaries [illegible] about. Usually but one wharf is occupied in this city by vessels from the deep, but now, and that too in such a dry time, when it is said barks cannot visit Portland, we have four in port, requiring three wharves for their accommodation! Isn't that strange? We wonder how the principle will act when our cotemporaries dry the Willamette up entirely. Their perhaps our shipping will present more of the appearance of Shanghai.

THE LINCOLN AND JOHNSON CLUB.—The following named gentlemen compose the officers of the Lincoln and Johnson Club in this city: President, Henry W. Corbett; Vice Presidents, E. J. Northrup, [illegible] Smith, John McCraken, W. H. Reed, A. M. Starr, A. C. R. Shaw, Charles M. Carter, Wm. Masters, [illegible] Wasserman. Secretary, H. C. Coulson. Executive Committee, J. N. Dolph, J. W. Cook, [illegible]. The temporary officers of the meeting appointing the above, were Mayor Failing, Chairman, and W. Lair Hill, C. A. Brooks, S. Ross, a committee to report the permanent officers. The meeting adjourned to meet on Wednesday evening next, at [illegible] o'clock, at Willamette Theatre.

WHEAT IN CASKS.—The bark *Sam Merritt* yesterday carried among her cargo, for San Francisco, a number of very large casks filled with wheat. The casks we understand had to be forwarded, and they would "measure" no more, filled with wheat than they would empty, hence we presume there must be a saving somewhere, even by the most arbitrary rule.

SAILED.—The bark *Sam Merritt* sailed with the following cargo, for San Francisco, from this port, yesterday morning: 1 275 sks wheat, [illegible] sks oats, 1[illegible] sks flour, 510 sks feed, 100 sks Potatoes, [illegible] sks [illegible], 44 bales wool, 20 bxs apples, [illegible] pkgs sundries, 45 casks oil. She would take on about [illegible] tons in addition at Springville.

The first effect of a bilious climate upon the human system is to produce torpor and sluggishness of the liver, thereby preventing the natural and free discharge of bile. All know the lurking nature of the poison that produces Fever and Ague, and its kindred diseases. A sallow complexion, capricious appetite, and occasional pain in the side, are often the only symptoms to warn of impending danger. The [illegible] of Dr. Osgood's India Cholagogue is to counteract this malignant influence by producing activity of the biliary organs, and a healthy discharge of bile from the system.

Guard against imitation! Be sure that you obtain *Dr. Osgood's India Cholagogue* and you are safe. Sold everywhere. Sole Agents for the Pacific Coast.

Dr. Hostetter's Stomach Bitters.—The stomach is the fountain head of scores of diseases which infest the human system. Indigestion has enough *per se*, generates diarrhea, dysentery, flatulence, vertigo, palpitation of the heart, general debility, &c., the cure of it, then, at once by going through a course of
DR. HOSTETTER'S STOMACH BITTERS,
A palatable and refreshing preparation, which as surely relieves all complaints of the stomach and its dependencies, as the sunshine melts the snow. A course of the medicine may not perhaps be necessary. One bottle frequently accomplishes a complete cure.—Sold by all Druggists and dealers everywhere.

"A Slight Cold," Coughs.—Few are aware of the importance of checking a Cough or "SLIGHT COLD" in its first stage; that which in the beginning would yield to a mild remedy, if neglected, soon attacks the lungs. "*Brown's Bronchial Troches*" give sure and almost immediate relief. *Military Officers and Soldiers should have them, as they can be carried in the pocket and taken as occasion requires.*
REDINGTON & Co., San Francisco, Agents for the Pacific Coast.

Dysentery.—For Dysentery and similar complaints of the Summer season, the PERUVIAN SYRUP has proved a remarkable preventive and cure. By imparting tone to the intestinal mucous membrane, it places this surface in the best possible condition to resist the irritation of crude and indigestible articles of food.

How is it? — If McClellan is a Union man, how is it that his success is so keenly relished by that of Gen. Lee? No one will doubt that Grant [illegible] Lee [illegible] McClellan. Why is this true? If McClellan is a Union man, and Grant succeeds in taking Richmond, ought not McClellan stock to stand at par? If he is elected, and the war is so much nearer an end, ought it not, if he is loyal, conduce to his advantage as well as that of Lincoln's? But this cannot be the case. McClellan is the candidate, whatever his individual ideas may be, of the peace party. If he is elected a peace Congress will be elected with him, and the North will be obliged to make peace at the expense of the Union. In a conversation with a Southern gentleman in this city, on the receipt of the news of McClellan's nomination, he instantly remarked that he would not support him. After reflecting a while he added, by way of qualification — "I don't know as I ought to say so until I see the platform and read his letter of acceptance, and then, if he dodges and squirms around it, I ought to despise him the more." But this Southern man, after due reflection, has concluded to vote for McClellan. Why? Because he knows that the Convention which nominated him had a better knowledge of the political status of the man than himself. He knows that the party would not take the risk of being imposed upon. McClellan has made pledges to that Secesh Convention the public know nothing about. Were we a Secessionist we would vote for Little Mac with the greatest confidence. But as a War Democrat, we would not touch him with a forty foot pole. — *Appeal.*

EX-SECRETARY CHASE ON THE PROSPECTS OF PEACE. — The Ex-Secretary of the Treasury, Mr. Chase, while, after his oppressive labors, resting at Litchfield, Connecticut, near the end of August, was tempted by a serenade to address a few remarks to the friendly crowd. Among other things he said:

He had come to seek repose and rest amid the quiet scenes of his native New England; that whatever might be thought of his labors during the past three years, or whatever success had attended them or would develop for them in the future, he had the consciousness of feeling that they were rendered by him with the strictest regard for the welfare of the country. He considered this was a just war, and such as the Almighty would approve, and that our past successes were full of happy auguries for the future. He felt that the war would be brought to a triumphant conclusion so soon as we were educated up to the great principles which the war had developed — the raising up of a down-trodden and enslaved race; when we should come to recognize the nobility and dignity of free labor, and should honor it whenever and wherever found, without regard to the condition or complexion of the laborer — only knowing that he was one of God's creatures; when we should come to feel that the lowest loyalist at the South was whiter than the whitest rebel.

PERUVIAN SYRUP,

OR PROTECTED

Solution of Protoxide of Iron,

Has been used with Great Success in Curing

DYSPEPSIA,

Affections of the Liver, Dropsy, Neuralgia, Bronchitis and Consumptive Tendencies, Disordered State of the Blood, Female Complaints, Chronic Diarrhea, Boils, Scurvy, the prostrating effects of Lead or Mercury,

GENERAL DEBILITY,

and all Diseases requiring a

Tonic and Alterative Medicine.

THE PROOFS OF ITS EFFICACY are so numerous, so well authenticated, and of such a peculiar character that sufferers can no longer reasonably hesitate to receive the proffered aid.

The class of diseases for which the Syrup provides a cure, is precisely that which has so often baffled the highest order of medical skill. The facts are tangible, the witnesses accessible, and the safety and efficacy of the Syrup incontrovertible.

From well-known Citizens of Boston.

The undersigned having experienced the beneficial effects of the Peruvian Syrup, do not hesitate to recommend it to the attention of the public.

Certificate of Dr. Hayes.

It is well known that the medicinal effect of Protoxide of Iron is lost by even a very brief exposure to air, and that to maintain a solution of Protoxide of Iron, without further oxidation, has been deemed impossible.

In the Peruvian Syrup, this desirable point is attained by COMBINATION IN A WAY BEFORE UNKNOWN; and this solution may replace all the proto-carbonates, citrates and tartrates of the Materia Medica.

IODINE WATER.

IODINE WATER IS THE MOST IMPORTANT DIScovery of modern chemistry, and it is impossible to over-estimate its influence as a remedial agent. Iodine has long been considered the most useful article in Materia Medica, and many of the most scientific and practical chemists and physicians have investigated its effects upon the human system. It is found to act upon the

HEART,
LIVER, KIDNEYS,
DIGESTIVE ORGANS AND GLANDULAR SYSTEM,

and to have great control over

SCROFULOUS AFFECTIONS.

Notwithstanding the zeal and ability which have been devoted to its investigation, it remained almost useless, until Dr. Henry Anders, a physician and chemist of New York, after years of patient labor and experiment, discovered a chemical process which enabled him to dissolve

PURE IODINE IN PURE WATER,

without a solvent. This, considered impossible by the scientific world, is attested by certificates of analysts from Dr. J. R. Chilton of this city and Prof. Booth [illegible] Mint, Philadelphia. The importance of this discovery was so highly appreciated by the faculty that it was published in the Medical journals, and is now recommended to practitioners. (See "American Medical Monthly," July 6, 1860, page 75.)

This valuable medicine is now available to the public for the cure of Scrofula in all its manifold forms, Consumption, Cancer, Heart, Liver and Kidney Diseases, Rheumatism, Neuralgia, Nervous Affections, Dyspepsia, Bronchitis, etc.

AS A TONIC

Its operation is evinced by strengthening the digestive organs and increased nutrition of the body is the result of the employment of Iodine. The patient recovers flesh, strength and color; hitherto pale, relaxed and feeble, he becomes full, strong and florid.

Full directions accompany each bottle.

Sold by all Druggists. Price, $1 per bottle. Prepared by Dr. H. Anders & Co., Physicians and Chemists, New York.

* * * I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect.

G. W. ANDREWS,
Superintendent Soldiers' Home, Cincinnati, O.

* * * The Plantation Bitters have cured me of liver complaint, of which I was laid up prostrate and had to abandon my business. H. B. KINGSLEY, Cleveland, O.

* * * The Plantation Bitters have cured me of a derangement of the kidneys and urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE, 254 Broadway, N. Y.

etc. etc. etc. etc.

The Plantation Bitters make the weak strong, the languid brilliant, and are exhausted nature's great restorer. They are composed of the celebrated Calisaya Bark, Wintergreen, Sassafras, Roots, Herbs, &c., all preserved in perfectly pure St. Croix Rum.

S. T.—1860.—X.

Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, &c., deserve to suffer if they will not try them.

They are recommended by the highest medical authorities, and are warranted to produce an immediate beneficial effect. They are exceedingly agreeable, perfectly pure and harmless.

NOTICE.—Any person pretending to sell Plantation Bitters in bulk or by the gallon is a swindler and impostor. It is put up only in our log cabin bottle. Beware of bottles refilled with imitation deleterious stuff, for which several persons are already in prison. See that every bottle has our private United States Stamp over the cork unmutilated, and signature on steel plate side label.

Sold by respectable dealers throughout the habitable globe.

"CONSTITUTION WATER,"

THE ONLY REMEDY FOR DISEASES OF THE

BLADDER, KIDNEYS,

Gravel, Dropsical Swellings,

GENITAL DEBILITY, ETC.

THE ASTONISHING SUCCESS WHICH HAS ATtended this invaluable medicine renders it the most valuable one ever discovered. No language can convey an adequate idea of the immediate and almost miraculous change which it occasions in the debilitated and shattered system. In fact it stands unrivalled as a remedy for the permanent cure of the maladies above mentioned, and also

DIABETES, IMPOTENCY,
LOSS OF MUSCULAR ENERGY,
PHYSICAL PROSTRATION,
INDIGESTION,
SEMINAL WEAKNESS,
GLEET, FLUOR ALBUS,

And in every disease anyway connected with the disorder or decay of the PROCREATIVE FUNCTIONS. Persons about to marry, if conscious of any weakness, should take the

CONSTITUTION WATER,

Whether broken down by excess, weak by nature, or impaired by sickness, the unstrung and relaxed organization is at once restored, revivified and built up. We may, this celebrated medicine be called the

MEDICAL WONDER

The stooping, trembling victim of depression and debility becomes a new man; he stands erect, he moves with a firm step; his mind, which was previously sunk in gloom or an almost idiotic apathy, becomes bright and active; and he goes forth regenerated, conscious of new vigor. The medicine reaches the CONSTITUTION itself, and restores it to its normal condition.

IRRITATION OF THE NECK OF THE BLADDER,
INFLAMMATION OF THE KIDNEYS AND
CATARRH OF THE BLADDER,
STRANGUARY AND BURNING OR PAINFUL
URINATING,
CALCULUS, GRAVEL,
BRICK DUST DEPOSIT AND MUCOUS
OR MILKY DISCHARGES AFTER URINATING.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most urgent symptoms. TRY IT in these cases, and you will ever give praise to

CONSTITUTION WATER.

Males or Females

Are you troubled with that distressing pain in the small of the back, and through your hips? CONSTITUTION WATER will relieve you like magic.
